HINGED PATIO DOORS

Hinged Patio Door mostly referred to as swinging patio door, a hinged patio door or a garden door—brings ample appeal for your space. Swinging patio doors are to be had two styles: the French hinged door and the centred patio door.

- Provide easy access
- Excellent protection
- Energy Efficient
- Provide improved lighting

DOOR & WINDOW VARIATIONS

Aluminium & UPVC

Regardless of how big your dreams or how small your budget, we have the proper windows and doorways for your home.

COMMERCIAL ENTRY DOORS

Commercial Entry Door provides a real contact of elegance to any workplace, meeting room, consumer lobby, or different business environments. The beauty of real aluminium, gives your entryway professional look customers will admire.

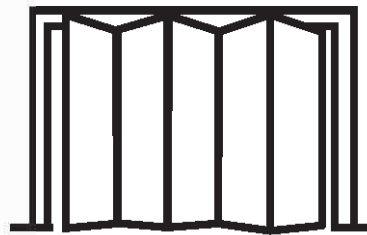

- High Energy Efficiency
- High Fire Ratings
- Strength and Durability
- Variety and Versatility

RESIDENTIAL DOORS

Residential entry doors are crafted from finest aluminium and available in a variety of color options. Our residential entry doors can introduce your home to a new level design. They showcase artistry, intricacy and top notch beauty of the house.

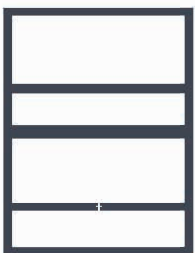

- Increased Ventilation
- Extra Safety
- Energy Efficiency
- Protection Against Rodents

BI-FOLD DOORS

Bi-Fold Doors have become an more and more famous alternative to conventional French doorways or sliding doors because they allow the complete expanse of window to be spread out, with out taking over lots of area.

- Easy open and close
- Not required much space
- Open plan living
- Flexibility

HUNG WINDOWS

Double Hung Windows have two working sash that circulate up and down allowing for ventilation on the top, bottom or each. Single-hung home windows have only a decrease running sash for air flow.

- Superior Ventilation
- Easy to Maintain
- Addition-Friendly
- Energy-Efficient

CASEMENT WINDOWS

Casement windows offer full end to end ventilation, establishing outward to the left or right to allow air inside. Since they open without problems, casement home windows are a fantastic choice in kitchens.

- Allows Maximum Light
- Easy Openings
- Effective Noise Reduction
- Opening Outwards

PICTURE WINDOWS

Picture Windows are desk bound and do not open. This makes them extra electricity green and permits for larger sizes than a window that vents. Frequently utilised in combos to maximise the view.

- Low Cost
- More Natural Light
- Effective Noise Reduction
- Energy Efficient

SLIDING WINDOWS

Sliding patio are designed to flow horizontally with one working gliding panel and one fixed panel. They get into tighter spaces than our hinged doorways because their panels do not intrude with your room or patio.

- Space Saving
- Easy Access
- Safety
- Energy Efficiency

SLIDING PATIO DOORS

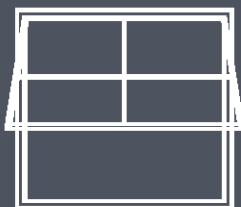

Sliding patio doors are designed to flow horizontally with one working gliding panel and one fixed panel. They get into tighter spaces than our hinged doorways because their panels do not intrude with your room or patio.

- Space Saving
- Easy Access
- Safety
- Energy Efficiency

BAY AND BOW WINDOWS

Bay and Bow Windows not only transform the look of your house but also add an extra space & depth to our walls which makes your property look spacious and allow more light into our rooms.

- Luxury & Space
- Availability in Aluminium
- Traditional look
- Highly Energy Efficiency

AWNING WINDOWS

Awning Windows are hinged at the top and throughout a light rain used in combination with different window styles or positioned higher on walls for easy to open.

- Good Ventilation
- Weather-Tight Construction
- Offer Superior Privacy
- Attractive & Contemporary Look

SHAPED WINDOWS

Shaped windows are combination of different shaped windows. If you want to provide your private home the wow aspect, don't forget to integrate our custom-made specialty windows.

- Unique Design
- Energy Efficient
- More Natural Light
- Noise Reduction
